## Essay

Admission will be based on the essay. It should contain information about:

- (1) courses that you have taken so far in the fields like zoology, ecology, marine biology etc., and give some details about the duration and activities;
- (2) your other experience in the relevant fields, if any;
- (3) your current research project(s);
- (4) your motivation to join this summer course.

Please make sure you cover all the points mentioned above in a total of about 250-350 words. (Turn over for the typing space).
